

Health Professions Graduate School Fair

Meet admission representatives from medical schools, dental schools, pharmacy schools, veterinary schools, physician assistant programs, public health programs.

RAFFLE from 2:00-5:00pm

Enter for a chance to win a Dell Inspiron Mini 10 Laptop, a \$50 Publix gift card, 2 all-day passes to Boomers, a digital camera, a 20" LCD TV, and much more! Tickets are \$1. Need not be present to win.

Pre-Veterinary Informational Day Tues, March 23, 2010

Today's veterinarians are doctors educated to protect the health of both animals and people. They play a critical yet not fully understood role in environmental protection, food safety, and public health.

To learn more about the veterinary field, register for one of our "Zoo Keeper For A Day" workshops with Busch Wildlife Sanctuary 11-12 pm or 1-2 pm. Join us for tours of the mobile forensics unit from the University of Florida that helped to process samples from the Michael Vick case, or come to a talk by UF Forensic Entomologist, Dr. Jason Byrd titled "Animal CSI: The Growing Role of Animal Forensics in Veterinary Medicine". Look for the Pre-Veterinary Medical Association table on Monday, March 22nd to register for these events.

Monday March 22, 2010 thru Saturday, March 27, 2010
Sanson Life Science Building (East Patio)
